JUDIT LÉNÁRT

BUSINESS & HR STRATEGIST

Profile

I am a results-driven HR and Business Strategist with over 10 years of corporate managerial experience and a strong consultative background. I have a proven track record in developing and implementing business strategies and HR initiatives that drive growth and enhance employee engagement. My expertise includes leading high-performing teams and providing strategic business consulting that aligns with organisational goals. I am committed to fostering inclusivity and creating supportive environments. Through empathy and active listening, I empower individuals, nurture growth, and facilitate transformational change.
